The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them is living, and if neither of them is living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, that hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case.

Mr. David Belin,

Mescalero, New Mexico.

My dear Friend:

Your letter of the 11th instant has been received and I am pleased to note that you have regained your usual strength since your return home from Carlisle was effected. In view of the fact that the climate of New Mexico agrees so well with you it is my suggestion that you remain there.

You should not have any difficulty about finding some work to do near your home or in another section of New Mexico where the climate is practically the same as at your home. The experience you have had has fitted you to give best service on a farm or ranch and you should try to get a job of that kind. Superintendent Jefferis can probably aid you by writing to advertisers for help and thru his personal influence. You should see him regarding your desire to secure work.

Superintendent Lipps has been absent from Carlisle since the 12th of July on an official trip to schools in the Northwest and will probably not return here until September the 1st. The regular work for the school year is to begin on September

the 7th and the new courses are then to go into effect. A larger number of mature students than ever before can then be accomodated.

With best wishes and the hope that you can report soon that work has been found for you, I am,

Very truly yours,

HKM. Acting Superintendent.

Have been at since recovered from illness and still on the job.

I am sorry that I can not return to the good old School this fall, there are several boy and some girls planing to enroll as student at Carlisle. One of my brother wish to enroll too.

Dear Sir:-

One of your boys, David Belin, who has been a patient at the German Hospital since September 1st, has recovered sufficiently to be discharged from our hospital. All accommodations for his transportation from Philadelphia to Carlisle have been arranged, and he will leave Broad Street Station, Philadelphia, on Friday, on the 8:40 A.M. train, Pennsylvania Raliroad, arriving at Carlisle at 12:30 noon.

He had a very severe attack of Erysipelas, post-trachomatous trouble and broken down glands in the neck and left arm-pit. The latter condition is still being drained and can be easily attended to by the School's Physician. I should recommend Antitubercuious treatment, as his lungs, the right especially, shows involvement, and we have repeatedly found T.B. in his sputum.

My dear Sir:

This is to report that on August the 14th David Belin was given permission to go to the Medico-Chirurgical Hospital in Philadelphia to have his eyes treated preparatory to his leaving here for his home under your jurisdiction. Permission was also given him to spend several days at his former Outing home just outside of Philadelphia.

While at the latter place he evidently contracted a cold, which settled in the swollen tubercular glands with which he has been affected for some time, and on Friday of last week he was taken to the German Hospital in Philadelphia in quite a serious condition.

I have just had a letter from the Physician attending him that David is improving and that there are reasons to believe that his return to Carlisle can soon be effected. Just as soon as David is then able to travel to his home you will be notified when he may be expected to arrive at Tularosa.

I would thank you to bring this report to the attention of David's parents and to assure them that everything possible is being done to hasten David's recovery.

Hoping that his return to Carlisle can soon be accomplished and that his health will then permit an early start for his home, I am,

Very truly yours,

Medico-Chirurgical Hospital,
Philadelphia, Pennsylvania.

Gentlemen:

I enclose herewith my check for an amount of $12.00 to pay for Scott Dewey's board while treatment was being given him under your care last month.

David Belin was taken sick while visiting at his former Outing home near Philadelphia and during the latter part of last week he was removed to the German Hospital for treatment. A report from that institution indicates that he should be able to return to Carlisle soon and then he will be asked to sign a check to cover the amount due you. If it would be convenient for some one from your institution to secure David's signature to a check it would be arranged accordingly upon receipt of advice from you.

Louis Headley does not have sufficient funds to his credit to pay for his board, so I enclose herewith a voucher to be executed. When the voucher is returned to me I will have such further arrangements made as are necessary to make

the payment from government funds to my official credit.

Hoping that the course of procedure necessary to pay for two of the bills due you will not cause your institution inconvenience, I remain,

Very respectfully,

Dear Mr. Jefferis:

I submit below for your information a copy of a report that was issued this afternoon by our School Physician in regard to the condition of David Belin:

> "In regard to David Belin will say that he has a well developed case of tuberculosis, with certain existing conditions that make the outlook in his case rather gloomy than otherwise. I do not consider him fit to undertake the journey home alone, but would like to send him with an escort if this will be possible. Although I asked that he be sent to one of the Sanitoria I doubt whether he would be accepted in his present condition."

Very respectfully,

Dear Sir

I am sending David to the school in the care of Jesse. Dr Fell was here this A M at Anne Clark and he thought the best thing for the boy would be to send him so that he could receive Hospital treatment which he thinks he needs. I am so situated (without help) that I cannot give him the care he needs. If the Agt thinks him unable to go farther than Phila per Fell thought you could place him a Phila Hospital until

[illegible] contracted
this cold and a prevalid
this serious condition
of his.
I ask you as a favor to
kindly leave me hear
how David stands the
trip and his condition.
Dr Fell made 4 visits
and his bill is $4.
I suppose David has
money to pay this bill.

Dear friend:-

David Belen was too sick to be brought to Carlisle the day he left your home, so Mr. Dickey placed him in the German Hospital where he is now.

I have this morning sent him a check for Dr. Fell and as soon as it returns to me, I will forward it to you to pay the doctor.

Very truly yours

Dear Sir:

I write to inform you that David Belin is at my home sick and is real sick. We thought best and so called in our family Physician Dr Fell of Doylestown. (who attended John Papineau) He was discharged from the Hospital on Sat aft^noon the 22nd and came and visited at the home of two former school mates and who are our near

feel very well after and then
later had a chill and on
Monday they brought him h-
me and soon after he
came had another chill and
a raging fever. We put him
to bed and on Tuesday morn
seeing no improvement sent
for the Dr. His temperature
this morning was 103 and a
fraction. I trust he will soon
be better. He certainly has
a cold. The Dr will come
again to morrow morning and
can tell more about the
case. I was afraid of Typhoid
You know David lived with
us 3½ years and feels at
home and wanted to pay us
a visit before going to his
home in New Mexico. David
has no money he tells me
only .75 cts. I suppose he

[illegible] to pay the Dr.
He asked me to mention this
matter to you and also to tell
you he is very sick. I hope
there will be a marked
improvement in his condition
in another day. Hoping our
course with David will be
satisfactory to you in regard
to employing a Dr. Dr Fell
tells me he has never received
pay for his medical attendance
for John Papineau. I think it
was agreed by the Superintendent
for the office to pay that bill
for John as he hadn't even
earned enough at that time
to pay it. I certainly nursed
him carefully and hope you
will see that bill be paid
for John. He seems real well
now. Respectfully

You know Jesse Welch is to the School on the 28th. He has two pairs of overalls almost new. Are you willing for him to give them to John Papineau as he will soon need new overalls. It would save trouble of sending and also for you ~~getting~~ them sent. Please tell me.

Dear friend:-

I have your letter relative to David Belen. I am sorry that he has had so much trouble but am thankful that he was in your care when he took sick. You did right in calling in your physician to attend him. David has $108.39 in bank here. If you will let me know what he needs to pay the doctor and to pay his fare to Carlisle, I will send him a check.

We can find no record of a bill against John Papineau here. If John has earned enough wages this summer, to pay the doctor, you can take the amount necessary from what is in your hands to pay the debt.

Very truly yours

Supervisor in Charge.

My dear David:

Upon receipt of your card of recent date further search was made for your trunk. Finally it was located in the baggage room at the Cumberland Valley Station in Carlisle, where it must have been sent soon after you left here.

An amount of $1.00 is due for storage charges, but the trunk was checked out yesterday and upon payment of that charge you can have it delivered to you at Tularosa, to which point it was checked.

Regretting very much that you have been inconvenienced so long and that the storage charges could not be cancelled, I am, with best wishes for a continued improvement in the condition of your health,

My dear Sir:

I would thank you to secure from David Belin an amount of $3.08. While David was sick in Philadelphia the time limit on his return ticket necessitated the placing of transportation for his return from Philadelphia to Carlisle. As the bill for the same had not been submitted to me for settlement before David left the amount was not deducted from the total that was sent to you for David's use.

Hoping that this matter can be given your consideration and that you will convey to David my best wishes for a continued improvement in the condition of his health, I am,
