INSTRUCTIONS TO TEACHERS AND AGENTS.—The principal of each school must prepare this report in duplicate at the close of each month. It must embrace all the data for which spaces are provided. The following certificate must then be signed, and the copies handed to the Agent, who will forward one to the Commissioner of Indian Affairs. During vacation or the temporary suspension of a school, the report, stating such condition, should be made and forwarded each month as well as when the school is in actual operation.

REMARKS.

[Under the head of Remarks should be stated additional facts similar to those called for on preceding page, and whatever else can practically illustrate the condition and growth of the school, and the public sentiment of the tribes concerning it. Brief, practicable, and well-considered suggestions for the increase of its efficiency are invited.]

During the month of January some advance was made in the Industrial feature of the School.

By a donation from Miss M. H. Brown of Phila the Shoemaker shop was furnished with 2 sets of Tools and three Apprentices are now working at the bench. Others have been assigned to the Carpenter and Blacksmith shops

This new feature of the School has been well received by the pupils. a good many among the older ones have made intelligent choice of occupation and work with a view which bodes of future success

The Weather for the greater part of the month was very damp and foggy and cold. were prevalent. One case of Pleurisy Pneumonia terminated fatally - that of Abraham Lincoln, a Cheyenne boy from the Indian Territory - The average health of pupils good
