INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

Mr. G. H. Ansley,
Special Agent, New York Agency,
Salamanca, N. Y.

My dear Sir:

Howard Doxtator, Jr., whose approved application for reenrolment at Carlisle you forwarded with your letter of the 20th instant, cannot be allowed to return here because his former stay with us afforded him an opportunity to prove conclusively that he is not a desirable student.

He was a petty thief at his outing homes and while here at school and the act which culminated in his desertion was the theft of one of our employees' wedding ring that was later thrown away.

Very respectfully,

Encl.

HHM.

Superintendent.

Mr. O. H. Lipps,

Dear Sir:

Enclosed herewith is the application of Howard Doxtator for the enrollment of his son, Howard Doxtator, Jr.

I am informed that Howard formerly attended the United States Indian School from September 1910 to March 1913, and then deserted. He is now very anxious to return to learn the carpentry trade. If under the circumstances you can take him back, I should be very glad to have you do so, as Howard seems to be a pretty good boy and is trying to get along.

Very truly yours,

G. H. Hinckley
