OFFICE OF SUPERINTENDENT,

Carlisle, Pa., Dec. 4, 1893.

To the Honorable  
The Com' r of Indian Aff' rs,  
Washington, D. C.

Sir:

Referring to your letter of November 25, approving nominations, in reference to Mr. Drum's nomination from assistant teacher to teacher, I respectfully request that the position of teacher at \$600., filled by Mr. Hudelson be cancelled, and that I may be allowed one more assistant teacher at \$600.

I do this because of the delay and difficulty of securing teachers through the Civil Service Bureau and on account of the preponderating chances that they will be unsatisfactory when obtained.

I proper health examination would have barred Mr. Hudelson out of the service in the beginning, and saved him the mortification and the loss his entering the service at all has cost him and saved us the very great difficulty of properly supplying his place at a time when all good teachers are already employed. The only other teacher furnished by the Bureau, Mr. Marshall, though full of information is far from being satisfactory. His Six months' trial is not yet expired

and even then it is a question whether we had better not get on until the end of the year, than take the chances of changing at this time.

Very respectfully,
