My dear Mr. Lipps;

Receipt is acknowledged of your letter of September 17, 1915, transmitting copies of communications relating to an amount of money which Louis Schweigman expects in order to continue his work at the Mount Hermon School.

The Office is not advised as to the status of this young man's funds, and would therefore suggest that since he appears to want to use his balance for a purpose not indicated in the original authority, Louis Schweigman should make direct application to the Supervisor in charge at Rosebud, for modification of authority under which funds for school expenses were remitted to him. Immediately on receipt of Schweigman's request accompanied by Supervisor Davis' recommendation, the matter will have prompt attention here.

A copy of this letter is enclosed for your convenience.

Very truly yours,  
*(Signed) E. B. Meritt*

Assistant Commissioner.

Dear Dr. Cutler:

FILED BY C. P. F.

I have received your letter of the 15th instant, relative to the remittance Louis Schweigman is expecting so that he can defray the expenses of this year's schooling at Mount Hermon. Just at present I do not know the exact status of the funds to his credit, but a copy of your letter is being forwarded to the Supervisor now in charge at the Rosebud Agency in South Dakota and to the Commissioner of Indian Affairs at Washington. I shall probably hear within a week or ten days just what may be expected and will then communicate with you.

Trusting I can be of help and thanking you for your kind personal wishes, I remain,

Very sincerely yours,

(Signed) O. H. LIPPS

My dear Sir:

I am having copied below for your information a copy of a letter that has just been received here from Mr. S. A. Norton, the Cashier of the Mount Hermon School at Mount Hermon, Massachusetts:

"I have just received check for \$150.00 from Mr. Davis, Rosebud, S. D., on account of Louis Schweigman. Mr. Davis writes "on account Louis Schweigman to be kept by you for the school expenses of Schweigman".

Now Schweigman wants this money turned over to him, saying that he probably will not return to school after this fall term. His bills are paid and there is a balance out of this \$150.00 of \$121.78 to his credit.

Would you advise letting him have this in such amounts and at such times as he may call for it?"

As it is indicated in the part of your letter that is quoted by Mr. Norton that the money was sent for a definite purpose I am taking the liberty to state that it should not be expended by Schweigman for any other purpose than that designated until specific authority is given by you for its use as may be desired by the young man.

Very respectfully,

(Signed) O. H. LIPPS

Mr. Charles L. Davis,  
Supervisor in Charge, Rosebud Agency,  
Rosebud, S. D.

My dear Sir:

I respectfully submit below for your information a copy of a letter that has just come to me from Dr. H. F. Cutler, the Principal of the Mount Hermon School at Mount Hermon, Massachusetts, where Louis Schweigman has been in attendance for about a year:

"I have just been talking again with Schweigman about his expenses. He has not yet received any remittance from the Government and seems to be rather anxious about the matter. Is there anything that I ought to do in making any reports so that the payment may not be delayed? I am sorry to write you again about this matter, but I am quite dependent upon you, as I do not know the method of procedure in regard to the payments by the Government. I understand that the amount is due Schweigman from the Government, and you, of course, know just what he ought to expect.

I hope the year is opening well with you."

Although Schweigman has not been connected with this school for several years I shall gladly do what I can to cooperate with you so that he can continue with his school work. Will you please advise me?

Very respectfully,

(Signed) O. H. LIPPS  
Superintendent.
