My dear Mr. Lipps:

In reply to your letter of Sept. 15 submitting an application and correspondence in regard to the enrollment at your School of Arney Kah-o-sed, you are advised that, inasmuch as present indications are that no other Indian young man or young woman will have to be deprived of enrollment at Carlisle if permission is given this boy to attend, authority is hereby granted as you recommend for his admission to your School.

The inclosures to your letter are herewith returned.

Very truly yours,

(Signed) E. B. Meritt

The Honorable,  
Commissioner of Indian Affairs,  
Washington, D. C.

Sir:

I am having attached hereto an application for the enrolment at Carlisle of Arney Kah-o-sed and correspondence that has passed between his uncle and myself regarding the desired enrolment.

I have known the Rev. Mr. Kah-o-sed for a number of years and as he has done such splendid work among the Minnesota Indians I earnestly recommend that every possible consideration be given his request for permission to send his nephew to Carlisle.

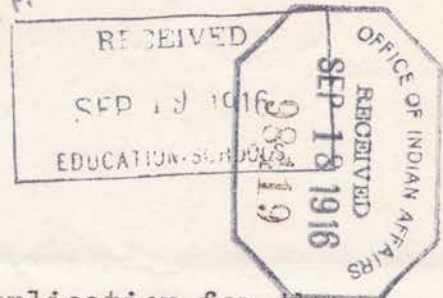

May I be instructed soon what further action is to be taken in the case, as present indications are that no other Indian young man or woman will have to be deprived of enrolling at Carlisle if permission is given for the enrolment I should like to effect to favor Mr. Kah-o-sed?

Very respectfully,

Encls.

HKM.
