Mr. Burt Wright
Ree, N. D.

Dear friend:-

I am in receipt of your letter saying that there are several boys from your Agency who are interested in enrolling at Carlisle. I shall be very glad to arrange for a party to come here but regret very much that it cannot be done just now for the reason that our transportation fund is very low and we cannot pay the fares for any more new pupils until summer.

If the boys you have in mind can wait until summer or fall, I can then arrange to have them come here at government expense. It is possible I can arrange to have you bring them to Carlisle if there are some girls in the party. You can take this matter up with your Superintendent.

I am sending you some Carlisle literature under separate cover which you can arrange to place in the hands of the pupils who are interested in coming here.

Thanking you for your continued interest in the school and trusting that it can be arranged for you to make the school a visit later, I am

Very truly yours

Superintendent.

Dear Supt.

There are a few boys here that are desirous of entering your school. They are all under nineteen years of age, and have never been away to non-reservation schools outside of the state

Please let me know how many you can take.

Having been a student of your school I recommended that they go to your school.

Yours truly,

Burt Wright.
