Any general statement or wishes of patron or pupils, together with Agent’s estimate of place, people, and pupil:

New Patron, first girl, practical woman, a good housekeeper, very eccentric woman, seems to keep well informed concerning her neighbor’s affairs. Says B. is satisfactory. She has all bright, cheerful dispositions, a little careless and forgetful but improving. Patron permits B. to visit Indian girl in neighborhood after dark returning home alone as late as 11 o’clock at night which visiting is against the rule of the school.

Several weeks ago, Patron went off on a visit for a week, leaving Betsy at home with Mr. Blakely who goes every morning to his business in the city returning in the evening. Betsy was left in the house alone all day during the time. Patron was off on a visit.

As Patron does not conform to the rules of conduct, she should be taken off the list of Patron.

Nov. 12, 1911.

Field Agent.

INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.
