INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

The person who signs the blank as consenting to the transfer should indicate his relation to the applicant by marking out the word "parent," "guardian," or "next of kin," leaving unmarked only the title appropriate to the signer.
INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them are living, and if neither of them are living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (38 Stats., p. 906.)

Provided, That hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case; but in all cases where the parents are living they should first be consulted.

This form is to be used only in transfers from reservations or Indian schools to nonreservation schools.
May 12, 1917.

Commissioner of Indian Affairs,
Washington, D.C.

Sir:

Reference is made to your letter of April 28, 1917, in which you ask direct attention to that paragraph of the Declaration of Policy in the Administration of Indian Affairs which refers to Indian students over 21 years of age and who have completed the full course of instruction in the Government schools being declared competent.

In accordance with these directions I have the honor to report that Edwin Miller, a ½ blood Miami Indian, 22 years of age, will be graduated from Carlisle school, if he passes his examination on May 24th.

Edwin Miller has spent several years at Carlisle, has a good mind, is a ready speaker, is able to understand and converse fluently on articles in the non-technical magazines and newspapers. He will finish the work in carpentry this spring. He has demonstrated his ability as an
executive by coaching the lacrosse team successfully. He is equipped to compete successfully in life with the average American.

Superintendent Deever of the Seneca School reports regarding Edwin Miller that he was not an allottee of the Miami tribe of Indians for the reason that he was born after their lands were allotted in severalty. He was interested in the allotment of his deceased father, but the restrictive period on the western Miami Indians already expired by limitation April 12, 1915.

Edwin Miller, at the present time, has no restricted lands, neither has he now or did he ever have any individual Indian money on deposit under the supervision of the superintendent of the Seneca school and Quapaw agency.

In view of the fact that the restrictions on Edwin Miller's land has been removed and he has no money under supervision, there are no steps necessary to remove restrictions from his property.

It is my personal belief that an examination of the records of the Office will show that Edwin Miller is at the present time a citizen of the United States, and it is unnecessary to take further steps in his behalf.

If any further action is necessary, however,
to remove all restrictions from the personal property of Edwin Miller, I would recommend that they be taken.

Very truly yours,

JF:R

NAME AT CARLISLE: Edwin Miller.
Carlisle, Pa.

April 30th, 1914.

Edwin:

I submit below for your information a copy of the letter Superintendent Beaver addressed to me on April the 26th:

"This is to acknowledge the receipt of your letter of date April 21, 1914, making inquiry concerning the advisability of granting the request of Edwin Miller, a student at Carlisle to return to Miami, Oklahoma, for the summer months.

I have to advise you that Edwin Miller's father, Lewis Miller, who was a Miami allottee of this Agency, is dead. His mother is Emma Miller-King, a sister of Charles E. Dagenette, Supervisor of Indian Employment. She is a citizen Osage Indian of Kansas, and is employed as "Cook" at the Cheyenne and Arapahoe Indian School, Darlington, Oklahoma.

There is no place for this boy to stay at Miami. I presume that if his mother desires him to go to her, it might be alright, but it seems that he would do as well, if not better, to be given work under your system, or put under the care of his uncle, Charles E. Dagenette."

My dear Edwin:

I have just now received your post card in which you state that the library book, which you failed to turn in to Miss Beach before you left for Millersville, and concerning which I wrote you through Miss Reichel a couple of days ago, was left by you in the care of Edward Thorpe to be turned in to the librarian. I will say that Edward Thorpe has not taken any action in the way of turning this book in to Miss Beach. The fact that you left the book in Edward Thorpe's care does not relieve you in any way, whatever, of the responsibility which I charged you with in the letter to Miss Reichel. You must learn the lesson now of doing things for yourself, because if you are going to depend upon other boys in this school to do these things for you, in the language of the street corner, you are going "to get left."

Your failure to return this book to the library has caused me and my assistants more time than several books of this sort would be worth, and if we cannot have cooperation upon the part of the students in the way of handling their library books properly, we shall have to withhold library privileges from those who fail to come up to the mark.

I shall interview Edward Thorpe concerning this book, and we shall hold you financially responsible for the same until it is turned in. In future you will please be guided by the advice contained in the foregoing.

Very respectfully,

[Signature]

Assistant Superintendent.

Mr. Edwin Miller,
Rocky Ford, Colorado.

My dear Friend:

Mr. Bradley reported this morning that he cannot locate the copy of Kidder's Architectural Handbook he allowed you to use shortly before you left Carlisle. If you have it in your possession please return it here without delay so it can be handed to Mr. Bradley.

Hoping you have enjoyed a very pleasant trip by the time this letter is delivered to you and that we shall hear soon that you have become located for the summer months, I remain,

Very truly yours,

HMK. Acting Superintendent.

Mr. Edwin Miller,
Rocky Ford, Colorado.

My dear Friend:

Mr. Herr came to this office this morning to request that we explain to you that he failed to turn over to Mr. Bradley the Architectural Handbook you used and returned so promptly to Mr. Herr.

Trusting that this explanation will be sufficient for you to see why a former letter in regard to the book was addressed to you, and that we shall hear soon you have become well located for the summer months, I remain,

Very truly yours,

HKM. Superintendant.

Mr. Edwin Miller,
Gen. Delivery,
Miami, Okla.

Dear Edwin:

Your letter of August eighth came during my absence from the school, hence the delay in answering. In reply, I have to advise that your conduct as a student at Carlisle was in every way quite satisfactory, and I shall be very glad to have you return and complete your course. There will be no trouble about placing you in a good paying position after you have graduated. If your term of enrollment expired when you left last spring and you are not more than twenty-one years of age, we can pay your transportation back to the school. Under the present Regulations, we cannot pay the expenses of a student who goes home on leave before the expiration of his term or who is more than twenty-one years of age.

I am glad to know that you have spent a profitable summer, and that you are now ready to return to school and make the most of your opportunity.

Very respectfully,

OHL:SR

Dear Mr. Lphe:

When I left Carlisle last spring, you were away from the school and I did not get to speak to you before I left as I would have liked to, so I am writing you now asking whether or not my conduct at Carlisle in the
The past few years has been such that I will be permitted to return this fall and finish the course.

There is something else I would like to ask you. I believe I was intitled to my fair home last spring but I didn't use it as I came through in a car with my Uncle considering the fact that I didn't come home on Government's expense. I was wondering if it wouldn't be possible for me to return this fall on Government's expense.

I have been working all summer as a carpenter on a rail and I think I have done well considering the little real experience I have had at that kind of work. I know my weak points now and would gladly try my own way back if it can't be otherwise arranged as I know another year at Charleston will make it possible for me to hold my own most anywhere as a carpenter.

Remarks and recommendations of superintendent with reference to eligibility and need of Federal aid:

Note: One of these blanks should be filled out by each pupil at Government boarding schools, preferably with the assistance of the superintendent or some one designated to act as his representative. If the superintendent is of opinion from the information given that the pupil is entitled to enrollment he should so indicate by signing the blank in the proper place and filing the individual pupil's folder. In the case of pupils concerning whose eligibility or need of Government aid there is some doubt, superintendents should make proper remarks and recommendations in the space indicated and forward the form to the Indian Office for consideration.

Dear Sir:-

Under separate cover, I am sending you Edwin Miller's "Varsity C" certificate, which I have signed as requested by Mr. Meyer, this would have received my attention much sooner, but I have been away on an extended trip through the Canadian west, and only returned to town last evening.

It gives me very much pleasure to sign this certificate for Edwin, and if at any time I can be of any service to yourself, or any of the students at the Carlisle School, I shall esteem it a great pleasure if you will let me know.

Kindest regards to yourself, Mrs. Lipps and the rest of the family.

Yours very truly,

FROM

OFFICE OF INDIAN AFFAIRS,
DEPARTMENT OF THE INTERIOR.

Mr. Edwin Miller,

(Through Supt. Carlisle School.)

My dear Mr. Miller:

It is a pleasure to give you the enclosed certificate of competency because I believe you have earned it by acquiring such educational qualifications as fit you for managing your own affairs. I note that you completed the course in carpentry, but have also worked at the painter’s trade. There should be excellent opportunities for you to do well and go on to higher attainments in either line of work. A really first class carpenter will have no trouble to find employment at good wages and to an ambitious, progressive mind, this trade should lead on to higher pursuits including the general contractor’s wider field of operations.

After a year has passed, I should like to have you write me about your work and prospects. I shall ask the Superintendents of your school and reservation to tell me how you are getting along. I am much interested in your welfare and do not doubt your ability to work out an honorable and successful career.

Sincerely yours,

(Signed) Cato Sells
Commissioner.
Mr. John Francis, Jr.,
Supt. Carlisle School.
My dear Mr. Francis:

As indicated in the inclosed copy of my letter of this date to one of your graduates, Edwin Miller, I shall be pleased to receive from you a year hence any information you may have or can conveniently obtain as to the progress of this graduate in the way of self-support and successful occupation.

Sincerely yours,

[Signature]

Commissioner.

Baltimore, where Carroll flourished, And the fame of Calvert grew,
Here the old defenders conquered As their valiant swords they drew.
Here the starry banner glistened In the sunshine of the sea,
In that dawn of golden vision, That awoke the song of Key.
Here our hearts that beat forever For the city we adore;
Here the love of men and brothers, Baltimore, our Baltimore.
