Mr. James Pontiac,

Spencer, Michigan.

My dear Sir:

I thank you for your favor of August the 7th, in which you advised me that two girls of your acquaintance desire to be enrolled at Carlisle but that they are now enrolled at the Mount Pleasant School. Replying to your letter I must advise that they cannot be considered for enrollment at Carlisle as long as their periods of enrollment at Mount Pleasant have not terminated.

Under the circumstances I cannot co-operate with you as you requested.

Trusting that you are prospering and taking a prominent place in the affairs of your community, I am,

Very truly yours,

HMK.

Supervisor in Charge.

To the Members of the Carlisle Alumni Association
and Ex-Students of the Carlisle Indian School:

Dear Friends:

I am sending you herewith a copy of a general letter that has been prepared by the President of the Carlisle Indian School Alumni Association, which I trust you will read with great care.

The time has come when your Alma Mater needs your support. If this school has been of any service to you, you owe to it a debt of gratitude which you can only repay by giving in return your loyal support and cooperation.

It has been decided to hereafter enroll as pupils at the Carlisle school only those who want to come here with a purpose, and that purpose must be to secure such education and training as will enable them to become industrious, self-supporting, and law-abiding citizens. I would thank you to send me the names and addresses of Indian boys and girls who, in your opinion, are deserving, and who will prove themselves a credit to your Alma Mater, and who will earnestly endeavor to acquire an education in the fullest sense of that term.

I hope you will respond promptly and cheerfully to the request contained in the enclosed letter. Please wake up and show your loyalty and appreciation for what Carlisle has done for you.

Sincerely your friend,

[Signature]

Supervisor in Charge.
