

Reverend Mother M. Katharine,

Dear Mother Katharine:

Enclosed you will find the term bill for Albert H. Nash's tuition and locker fees; also a receipt for two dollars advanced by me, which he needed to purchase the necessary text-books for his work.

I am glad to be able to make a good report concerning Nash. He is a bright fellow, an industrious student, and stands well in all his classes. Indeed, I regard him as one of the most capable young Indian men I have ever met.

Very truly yours,
