P.S.

To President W. K. Kelly -

My Dear Sir -

Capt. Prout of
Carlisle - is doing wonders with the
Indians - I hope you will go there for
opportunity and see for your self - and
compare what he is doing with the work of
Roman Catholic Schools -

If we had twenty such schools
as Captain Prout - we could reach and
civilize the whole Indian population in
five years -

I had do not allow anyone to prejudice
you against Capt. Prout -

Yours faithfully
C. C. M. Lake
