To the Honourable,

The Commissioner of Indian Affairs,
Washington, D. C.

Sir:- The ten years I have spent in the Indian Service have been passed in Carlisle, though I often wished for an opportunity to see something of the western field. For nine years my position here has been that of clerk & as a vacancy has lately occurred in Phoenix School, Arizona, by the retirement of Miss Bourassa, I

would respectfully make
application for transfer to
that place.

Very respectfully,
