Department of the Interior,
INDIAN SCHOOL SERVICE,

Carlisle, Pa., Jan. 22, 1901.

To The Honorable,

The Commissioner of Indian Affairs,

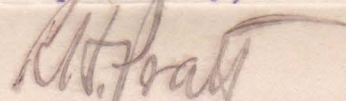

Washington, D. C.

Sir:-

Sherman Seneca, one of our pupils, got a very sore arm as a result of being vaccinated. It finally developed into a running sore, the bone becoming affected. Special treatment became necessary and I accordingly sent him to the Methodist Episcopal Hospital, Philadelphia, where he was very materially benefited. He remained in the hospital 96 days at an expense of \$1.00 per day for board, as per bill and voucher herewith.

I respectfully request authority to pay this bill. No charge was made for the treatment.

Very respectfully,

Major 10th Cavalry, Supt.

D.E.M.
