The return of his daughter, Nettie Cole, a pupil of the Carlisle
School, to her home.
It appears from a communication of Col. H. H. Pratt,
Superintendent of this school, which was transmitted with your
said report, that Nettie Cole entered Carlisle August 10, 1901,
for a term of five years; that she was placed in a country home
last; that she is attending school and appears to be doing well;
but no statement is made as to her personal desires in the
matter, nor as to her state of health.

Before making further action I wish to be informed as

to the age and physical condition of the pupil in question, and
also as to whether she herself desires to return to her home,
or the Carlisle School.
You will please therefore call upon Superintendent
Pratt for further information on these points.

The enclosures of your letter are herewith returned.

Very respectfully,

Acting Secretary
