To the Honorable,  
The Commissioner of Indian Affairs,  
Washington, D. C.

Sir:

Referring to Office letter "Education" dated the 22d ultimo in reference to the vacancy in the position of florist now temporarily filled by Mr. H. W. Leaman, I have to advise you that I have just succeeded in ascertaining that Mr. Leaman had supposed that he had made the necessary application to the Civil Service Commission for this position and had complied with the requirements. It appears however, that he had made application for the position of gardener and not for that of florist. He has accordingly written the Civil Service Commission today asking for the necessary blanks and instructions and requested that he be given the required examination for florist.

Very respectfully,

*W. A. Mercer*  
Captain 7th Cavalry,  
Superintendent.
