Sept. 22, 1906.

The Honorable,  
The Commissioner of Indian Affairs,  
Washington, D. C.

Sir:

Referring to your letter (Education 72624/1906) dated the 11th instant, stating that there is a vacancy as shoe and harness maker at the Moqui School, and that John Auchuleta, Pueblo Indian student here would be considered for the position if he indicates his willingness to accept, you are advised that John was sent in the country early in the present month and is now at Allentown, N.J. The contents of your letter were promptly communicated to him and we are now in receipt of a reply dated the 17th instant in which he says that he will accept the appointment if tendered. He will await further instructions from your Office, either direct or through us, before doing anything in the matter.

Very respectfully,

*W.A. Mercer*
