Sir:

Your letter of November 28 in regard to the presentation of "Cabiria" at the Carlisle School was referred to the Superintendent of that School. His response is just received, saying that if it is not too expensive, he would like to consider the possibility of placing this attraction at Carlisle. It will be well for you to write directly to him relative to the subject.

Respectfully,

Replying to Office letter of December first, enclosing a letter from the Metropolitan Booking Offices, Philadelphia, Pa., regarding the bringing of the production of "Cabiria" to Carlisle, I have to advise that I have been securing a few good lecturers and entertainers to entertain our students in the auditorium on Saturday evenings, paying for the same from the athletic fund. If the production referred to is not too expensive, I should be very glad to consider the proposition of placing this attraction at Carlisle. I return herewith the letter of the Metropolitan Booking Offices.

Very respectfully,

Supervisor in Charge.
