RECEIVED BY G. P. F.

It is with great pleasure, that I write you to-day and ask you, concerning the condition of Carlisle Indian School, there are several Indian boys and girls, here, that are wishing to go to Carlisle, this coming fall, as I have been telling these young people, about Carlisle Indian school, and one day they came, ask me if they could go there, this fall, I was unable to tell them, if they could, only I told them, that, government closed Carlisle Indian school, during the war time, and I think these people, are fit to go to Carlisle, now, is Carlisle open for school?

Can you give me information on this point, if so, will you kindly do so and greatly oblige,

I was a student, or I am Ex. student of Carlisle Indian school.

Yours Very Truly,

R. J. Bonga
