FOR FILE

Mr. James N. Coon,
Saganing, Michigan.

Sir:

Referring to your letter making inquiry regarding your sister's youngest daughter who went to Carlisle school more than five years ago, you are informed that inquiry at the school shows that this girl is not in any workhouse in the City of Philadelphia as reported in your letter, but has been working in a private family under the Outing System of the Carlisle school.

The Superintendent said that he would return the girl to her home by August 1, and it is thought that Ida will be with you before many days if she has not already arrived.

Very respectfully,
(Signed) J. H. Dortch,

The Honorable,
Commissioner of Indian Affairs,
Washington, D. C.

Sir:

Ida Sands, also known as Ida Coon Sands, was returned to school on June the 2nd, last, in accordance with the report of pending negotiations made in my letter of May the 23rd.

The girl was not sent home at that time, for the reason that it was not considered advisable to allow her to travel without an escort. She has caused no extra trouble since her return to school except so far as extra watchfulness has been required, and for that reason it was deemed best to hold her here until an escort can be detailed. It will be convenient to do this before the end of this month, so that the girl should be at home before August 1st.

Very respectfully,

M. Friedman

FOR FILE

Moses Friedman, Esq.,

Superintendent Carlisle Indian School,
Carlisle, Pennsylvania.

Sir:

On May 21, 1910, this Office wrote you a letter of inquiry regarding Ida Sands, who was reported to be in a workhouse in Philadelphia, and on May 23 you reported that Ida Coon Sands, probably the same person, is living under the Outing System at Sharon Hill, Pennsylvania, but as the girl's mind seems to be failing negotiations are now pending to have her return to the school. The letter of James N. Coon regarding this girl evidently contemplates her return home, but your letter speaks of her being returned to the school. The Office does not understand this and thinks that inasmuch as a considerable time has elapsed since your last letter was written, you may be able now to make an official report on her case.

Please do this promptly so that a suitable reply may be made to the writer of the letter referred to.

The Honorable,
Commissioner of Indian Affairs,

Sir:

This is to report that Ida Coon Sands is now living with the family of Mr. J. J. Timanus at Sharon Hill, Pennsylvania, under our Outing System. It seems that the girl's mind has been failing and negotiations are now pending to have her returned to the school.

Some of her other correspondence of recent date has proved almost conclusively that she is not responsible and it is probably due to this fact that her uncle has gained the impression conveyed in his letter.

Very respectfully,

M. Friedman
