Sir:-

I have advised Miss Elizabeth Webster, now employed temporary in the position of clerk in my Office, to spend a few months in the Commercial Department in the Carlisle Indian School before taking a permanent clerical position and it is her desire to do so.

I recently took the matter up with Superintendent Friedman, personally, and it fully meets with his approval.

Miss Webster is an Oneida Indian and a graduate of the Carlisle Indian School class 1910, is twenty-four years of age hence the necessity for special arrangements for her enrollment. Superintendent Friedman requested that I handle this matter direct hence I respectfully request that authority be granted for her enrollment.

Very respectfully,
