My dear Mr. Hunter:

Replying to your letter of October 25,
Carlisle
relative to a graduate of 1911, by the name of
Leroy Fitswal, the records here do not show
that any person by this name was ever enrolled
at Carlisle. A Quapaw Indian by the name of
Leroy Red Eagle graduated from there in 1911.
This perhaps is the young man to whom you have
reference. The records contain nothing of the
athletic records of these pupils unless they be-
come especially famous as athletes.

Very truly yours,

Assistant Commissioner.

I wrote to the registrar
of Carlisle College Carlisle Pa.
regarding an Indian student
whose name was Mr Leroy Fetswal
and was advised by Mr Merwin G Teller
Dean of Dickinson College that the
Carlisle Indian School has since
been discontinued and is now replaced
by a United States General Hospital
and he referred me to your department
of the government for the information sought
This Mr Leroy Fetswal I am told was
a student of the Carlisle Indian School
and graduated in the year 1911, was
an athlete being a runner and jumper.
These facts I am trying to have
verified. If possible would like to have

his school record during his term
of enrollment. He is now deceased.
Any information at your disposal
regarding him would be gratefully
received. Am enclosing self addressed
envelope. ~~and~~ Thanking you in
advance for whatever information
you may feel disposed to furnish.

Am most respectfully

P. J. Hunter
