## Hampton Normal and Agricultural Institute.

Hampton, Va., May 29 1879

Hon. E. A. Hayt  
 Com<sup>d</sup> - In<sup>ch</sup> Affairs  
 Washington D. C.  
 Sir.

It will take a week to  
 get the boys planted on farms  
 in Mass. as I told the Secretary.  
 Will return through Wash<sup>g</sup>  
 and start at once for Fla.

Expect to have a dozen  
 boys among the farmers of  
 Berkshire Co. for the summer.

Very Respectfully

R. H. Pratt
