Dear friend:-

I have just received the blank which you filled out and am pleased to know that you are getting along so well. I understand that Oregon is a great country for any one who wishes to make a good living and I think you have chosen well in locating there.

My object in writing to you is to know if you can let me have a photograph of your home. I will explain why I want such a picture.

It is my purpose to issue from time to time in the school paper the Red Man, photographs of the homes of some of our graduates and ex-students. I have already received quite a number of these and I would like to get yours.

Trusting that you can help me in this matter and wishing you continued success, I am

Very truly yours

NRD
