Mr. Joel W. Cornelius,
R. F. D. 2, West De Pere, Wis.

My dear Sir:

This is to thank you for your favor of October the 17th and to say that I was pleased to have you write me in such detail regarding yourself. It is gratifying to know that you are doing so well at your home and that you are giving so much of the credit for your success to the school that gave you training.

Regarding the enrolment of students this is to advise that there is yet room here to accomodate additional ones and that I should like to see you bring us a party. However, any arrangements that are made will have to be with the approval of Superintendent Hart and thru his office.

In this connection I beg leave to say that Mr. Hart brought us seven students yesterday.

Awaiting further information from you and assuring you of my continued good wishes, I remain,

Very truly yours,

HKM.

Superintendent.

Dear Sir:

I feel as though I know you personally, since I think a great deal of my old school, "Carlisle" of which you now stand as a Superintendent of that ^{school} and where I was a student for eleven years and a half. I left Carlisle Feb. 1903 because I was needed to home after the death of my father.

Soon after I was home I got a position at Govern's School as a fire man + the following fall 1904

I went to Tiffin Ohio to join a foot-ball team at the Heidelberg University + stayed until the ^{Season} was over and went again the next fall 1905.

On Dec. 1906 I got married, and

& since then I have been living on a small farm (30 acres) of land partly cleared & some woods.

I have three children and I should just like to see the day that they could attend the School of Carlisle or a school similar to it.

By the way I have been hearing of some pupils around here that would like to go to Carlisle, but it seems like there is not any body to take them and I have been quite anxious to have the chance of taking them down myself and in that way to have the chance of visiting my old school once

more. Would like to visit the school again ~~very~~^{much} sometimes if it was possible.

If it is not too late yet would you kindly let me know of what chances I might have & about the expenses of taking pupils to school like that. May your work be of success always.

Yours respectfully,
Joel W. Cornelius

P.O. D # 2 4.9,

P.S. I am a brother to Edwin & M. Frances Cornelius.
