Mr. Jonas Metoxen

Dear friend:-

It has often been said that students at various schools who have made any special reputation as athletes, never amount to much after leaving school. To show that this statement is not true as far as the students of Carlisle are concerned, I have prepared an article, to be illustrated, on the splendor of some of our prominent graduates and ex-students who while at Carlisle were conspicuous in athletics.

This article, I propose to publish in the Red Man, our school magazine and afterwards in pamphlet form for general distribution. The article is now ready and I am waiting for some suitable photographs to illustrate it.

I want a larger photograph of your home and one of your family. Will you please have these taken at your earliest convenience and send them to me with bill for same and I will be glad to send you check to cover cost of the photographs.

Wishing you continued success, I am,

Very truly yours,

Superintendent.

Dear Sir.

I am sorry I have not been able to get any better picture of my home than this.

This was taken soon after I moved in which is about seven years ago. This is just the way my house stands I guess you can see it plain.

I will be glad to do you any favor you wish me to any time.

I guess this will be  
all hoping this picture  
will reach you. Sincerely  
Yours truly

Although we do not advise students to go back to the empty life and discouraging conditions which exist on many of our Indian reservations, many have done so, and the large majority of them are doing well. Many will remember Jonas Metoxen, one of Carlisle's most famous fullbacks in the early days. Jonas is an Oneida from Wisconsin, and now lives at Freedom, in that State. He owns one of the best homes on the reservation, is married to a Carlisle girl, has a nice family, and is a prosperous farmer.
