Dear Old Carlisle:-

Since 1902 I know you have not heard a word from me I was sent home as a sick and I know every body has for gotten me. I have kept myself ever since in good company. I got well and have been employed by the Santa Fe R.R. and have steadily climbed ^{out} of the crowd.

But first of all I must tell you of my climb I started as a laborer and remembered

in the Indian Exp. Gang # 11

There a quite a number
of Schools represented but
"C." has em^d beat."

I must thank the school
for what it done for me
I certainly owe it all to
Carlisle.

George Daly also a former
pupil is here and all the
foremen speak very high
of him of which there is
four of them my self and
three white men.

and the Ex Carlisle students
I have seen are all doing
fine.

Well remember me to
all who still know me,
also send me rates of the
paper

I remain a former
pupil.

Dear friend:-

Your letter to Mr. Nori has been given to me and although I do not know you personally, I am glad to hear from you and to know you are getting along in this world. You are an ex-student of this school and I am interested in all the Indians who have been connected with this school. I am proud of the way you have been able to climb up to your present position and I trust you may not stop where you are now, but keep on climbing to higher and better things.

During the summer, we have not been printing our two papers, the Arrow and the Red Man. In September, I will have your name placed on the Arrow list again. The Red Man is a monthly magazine and I will send it to all ex-students at the rate of \$.50 a year.

wishing you continued success, I am
Your friend

Superintendent.
