Dear friend

Just a few lines to tell you that I am one of the lads from Carlisle I met Miss Johnson. while she was out gathering children for the dear old school I stayed there so it is like home, when I saw Miss Johnson I wished I was once more a little girl and go back with her, I wish you would remember me to her, and give her my love. and tell her if she ever comes back to Keshena to stop off at Shawano, & make me a visit I wish you would see that I got the Arrow sent here to me. for I think it goes to Dakota where I use to live

Dear Madam:-

It is my purpose before long to issue and
outing number of the Arrow and Red Man. Among other
facts concerning the outing, I want very much to
publish some expressions from our graduates and ex-
students as to what the outing has meant to them.

I understand you had some outing experience
while you were a pupil here. Would you be willing to
write me a letter giving some interesting facts about
your Carlisle outing and naming any special benefits
you derived therefrom which have helped you in after
years ?

If you can do this, I will be glad to hear
from you soon. With my best wishes to you, I am

Very truly yours

Superintendent.
