—AT THE—

Indian Industrial School
Carlisle, Pa.
BY INDIAN BOYS.

THE INDIAN HELPER is PRINTED by Indian boys, but EDITED by the Man-on-the-band-stand who is NOT an Indian.

Price—10 cents a year.

Entered in the P. O. at Carlisle as second class mail matter.

Address INDIAN HELPER, Carlisle, Pa.

Miss Marianna Burgess, Manager.

Do not hesitate to take the HELPER from the Post Office or if you have not paid for it some one else has. It is paid for in advance.

The Shoshone, Wyoming, Indian School held its closing exercises yesterday, to which several of our number were invited to attend.

Jos. DuBray, of Yankton, S. D., who went to Massachusetts to work on a farm, has enlisted in the army and is now at Camp Alger, Virginia.

Miss Cutter represents our school at the West Chester Normal Commencement exercises this week. Miss Shaffner is also in attendance. Our Miss Louisa Geissdorff, '96, graduates this year.

Miss Annie Lockwood, ex-pupil of Carlisle, directs that her papers be forwarded to Haskell Institute, Lawrence, Kansas, which looks as though she had a position there. If true, Haskell has secured a worthy helper.

Taylor Smith, chief of the bakery, says that instead of 300 loaves of bread daily that they have to bake in the winter for the student body, he now bakes but 150. The Man-on-the-band-stand does not regard a 150 loaf batch a light baking.

Nearly all the teachers leave to-day for various points to spend their summer vacation. Most of them expect to attend summer schools, some in Chicago, some at Chautauqua, others at Huntingdon, this State, while Philadelphia, New York and Boston figure in the plans.

According to invitations that have been received by several, Mr. Levi Levering, '90, was married yesterday to Miss Vena Bartlett, at the Ft. Hall Indian School, Idaho. Mr. Levering's eastern friends are greatly pleased to hear this good news, and wish the happy couple joy and happiness without limit.

Mrs. Campbell is now a full fledged teacher; she having taken the Civil Service examination and been appointed to permanently fill the position which she has been occupying temporarily.

Irene Campbell has added a very pretty waltz to the list of her original compositions. —[Shoshone Indian Guide.

Sodding of the athletic field has begun in earnest. Pipes to convey water for irrigation are laid.

This shows how it takes two Spaniards to make one American:

Some one asked if our disciplinarian, Mr. Wm. G. Thompson, were drawn from a barrel of molasses what flower would he resemble? And the answer was Sweet William.

Miss Miles visited the Chemawa school in Oregon while away and reports it in a flourishing condition. Little Lavinia Florence George was an object of special attraction. It will be remembered that Mr. and Mrs. George were married at Carlisle.

Weddings galore! On the 25th, at Ft. Sill, Oklahoma, Ramona Chihuahua, was married to Asa Dalugie, both ex-pupils of Carlisle. This is another couple who will receive many heartfelt though silent congratulations from Eastern friends.

"Compliments of Luzenia Tibbetts and Melinda Metoxen" was on a card in amongst a lot of beautiful sweet peas which came through the mail this week, addressed to friends at Carlisle. It is needless to say that their friends' eyes beamed with delight and gratitude upon opening the box.

One of the most interesting characters among the visiting Indians last week was Black Heart, Chief of the Sioux Indians. He has travelled with Col. Cody for ten years, has visited all the prominent cities of Europe, and is full of catchy expressions in German and French. It quite takes one's breath to have a blanket Indian step up to you and in courtly manner, ask: "Parlez-vous francais?" Black Heart is politeness itself.

Miss Lillie L. Wind, ex-pupil of Carlisle, who graduated from the Hartford school of nursing, a few years since, and has practiced her profession in New England with great success, thinks something of spending her summer vacation with us. Miss Wind now has a surgical case of which she is proud, and says that the feeling is reciprocated, as the patient claims to feel highly honored to think that she has a true American caring for her. Miss Wind is not afraid of work, and in her profession stands second to none.

Frank Green, of the Oneida tribe, who was to have gone home next week, left without permission about midnight last Friday for the West, and thirty miles west of Harrisburg on the Pennsylvania railroad, was killed by the train running over him. It was thought that he was stealing a ride and probably went to sleep and fell off. He was bruised about the head, his chest was crushed and his leg entirely cut off. There is every evidence that he died instantly. After due preparation for transportation, the remains were brought to the school, and funeral services were held on Sunday afternoon. The poor boy has been a disturbing element for some time, hence the funeral was a specially sad one, while but few tears were shed for his loss. He tried to get others to run away with him, but their good sense prevailed and they refused to go. We trust that the lesson, though a severe one, will be of use to us all.

Department of the Interior,
INDIAN SCHOOL SERVICE,

Carlisle, Pa., June 29th, 1898.

To the Honorable,

The Commissioner of Indian Affairs,

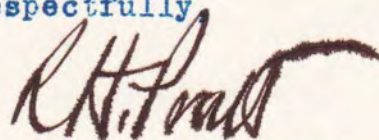

Washington, D.C.

Sir:

I am sorry to have to inform you that one of our boys, Frank Green, an Oneida from Wisconsin, was run over by a freight train at Mexico, fifty miles or more west of Harrisburg, and badly cut to pieces. He evidently died at once. He was at the Buffalo Bill's Show surreptitiously Friday night and after the impedimenta was all off the ground, he tried to persuade one of the other boys, who had run away with him on a former occasion, to go off with the Wild West Show. The other boy declined to go and came out to the school, leaving Frank at the cars. The only other information we have of him is from the railroad company that he was run over by a freight train at Mexico on the main line.

Frank was an exceptionally bad boy. I held on to him last year, hoping that we could turn him into better channels. He ran away from Carlisle some seven or eight times. He was also a thief and broke into the girls' quarters at nights.

Very respectfully

Capt. 10th Cav'y., Supt.

Department of the Interior,

INDIAN SCHOOL SERVICE, -

Carlisle, Pa., July 6, 1898.

To the Honorable,

The Commissioner of Indian Affairs,

Washington, D. C.

Sir :-

I respectfully request your authority to expend the sum of \$60.00 in repairing typewriter machines in use at this school.

Frank Green, one of our Oneida boys, a chronic runaway, got on one of the cars of Buffalo Bill's show at midnight June 24th. After daylight the next morning he was seen walking on the track near Mexico, and a little later between Mexico and Thompsonstown he attempted to get aboard a passing freight train. He took hold of the hand irons at the rear end of the next to the last car. He was jerked off his feet, and being unable to hold on, fell between the cars, the last car passing over him and cutting his body entirely in two. I was informed by telegraph. I wired to have the body fixed up as well as possible and returned to the school. It arrived late that night, and was buried the next day. The undertaker and embalmer, Mr. Ruble of Mifflintown, sends me a bill for \$43.50 for casket and preparing of the body.

I respectfully request your authority to pay this amount.

In all -----\$103.50

Very respectfully,

Capt. 10th Cavy., Supt.
