"April showers bring May flowers."

The Spring shirt-waist is in blossom.

Twenty-three girls left for country homes yesterday.

Some of these April days are less "rare" than "raw."

Major Pratt was in Chambersburg, on business, one day this week.

Grease the screen door hinges! It will soon be fly time.

"The first thing to do, if you have not done it, is to fall in love with your work."

Miss Barr is grateful to Miss Edge of Downingtown for a supply of Bibles and Testaments for the use of the sick.

Mr. W. H. Miller, formerly of Gettysburg Cutte by the Society Junction station office, has joined Ma or Pratt's clerical force.

Supervisor of Education in Porto Rico for the ber of the Band. He was a patient and cheerdistrict in which she lives (Ponce).

These are the days when the witless boy or girl sitteth or lyeth on the damp ground, and declareth vehemently that the ground is dry.

Major Pratt has been selected as Chairman for the Industrial Section of the Ecumenical Conference on Missions to be held in New York in Carnegie Hall, beginning April 21st.

The girls at Miss Edge's home in Downingtown are sending in some rare and beautiful wild flowers to their classmates, the seniors, for botanical work.

The Committees of the Standard and Invincible Societies wish to extend, through the columns of the HELPER, a cordial invitation to the school faculty, to be present at the Standard-Invincible reception to be held in the Gymnasium, Friday evening, April 20th, from 7 to 9:30.

The Invincibles elected the following officers for the ensuing term: President, John Powlas; Vice President, Arthur Pratt; Secretary, Donald McIntosh; Treasurer, Samuel Brown; Reporter, James Johnson; Sergeant at arms, Wallace Miller; Critic, Hawley Pierce; Assistant Critic, Charles Roberts.

A recent letter from Cassie Hicks, who is employed in the school at Chilocco, Oklahoma, tells of missing Carlisle and her old friends here. She asks for a letter from her church in Carlisle to the First Presbyterian church of Arkansas City. Several years ago Cassie met with an unfortunate accident which resulted in the loss of a hand; but she says bravely that she "can do just as much work as any with two hands.

The band will furnish the music at the society reception this evening.

Miss Burgess has been confined to her room this week by illness.

"What does sea-sick mean?" asked a little girl. She was told. "O, I thought it meant sick to be on the sea- like home-sick, you know!"

We shall all miss our "money mother," Miss Luckenbach, whom we have lost by transfer to Phœnix, Arizona. She will leave for that place in the near future.

At the last meeting of the Susans, the usual programme was set aside for a talk and drill on parlimentary practice by Miss Cutter. At its close a vote of thanks was tendered Miss

> Dr. George Bird Grinnell, the author of "Pawnee Folk Tales," "The Story of the Indian" and other books about Indians, accompanied by the well-known artist, Mr. E. W. Deming, was here on Monday upon a special mission/for Harper's Magazine. They left on Tuesday morning to visit a number of our boys and girls in country homes. Dr. Eastman went with them.

> Rev. J. J. Methvin of Oklahoma writes in the Indian-Okla Methodist that he was both pleased and profited by his visit t Carlisle. In this school, he says, is demonstrated what may be done for and with Indian youth under proper training in an improved environment. He knew of both Major Pratt and Mr. Standing as pioneers among the Indians in former years-the first as a soldier of his country and the latter as a soldier of the cross, and thinks it a fitting and a comforting providence that the two are associated.
