day morning to purchase trees for planting on Arbor Day.

The many friends of Miss Ditt's were pleased to see her out on Tuesday and hope for her continued improvement.

A visit through the school rooms and shops shows some of them almost deserted, over 400 of the boys and girls being out on farms.

Dennison Wheelock and Edwin Schanandore went to Williamsport on Monday to look after additional instruments for the band.

Mr. Goodyear went fishing on Monday evening, but the weather was too cold and so we had no trout for the next morning's breakfast.

Mr. J. B. Given, formerly of the HELPER office, but now attending Lehigh College, spent the Easter holidays with his mother at the school.

Prof. T. A. Schurr, of Pittsfield, Mass., the famous entomologist and ornithologist who entertained us a year ago, is at the school and gave talks Wednesday and Thursday evenings.

In one of the school rooms, the meaning of the word "frolic" had been given as "play." One of the boys was asked to give a sentence containing that word and this is what he wrote, "The boys will frolic ball."

The base ball grounds have been rolled, Dr. Reed having kindly loaned the Dickinson College roller for that purpose. The diamond is now in better condition than ever and we may expect better ball playing.

The boys are going to take up lawn tennis and croquet this year in addition to base ball. We noticed an exciting game of croquet going on the other day back of the Large Boys' Quarters and have seen some of the tennis racquets they have gotten.

The boys met in the Assembly room at the Large Boys' Quarters last Friday evening and organized an Athletic Association with Dennison Wheelock as President; Edwin Schanandore, Vice President; Reuben Wolfe, Sccretary and Mr. Fisk Goodyear, Treasurer. A committee on constitution and by-laws, consisting of Mr. Fisk Goodyear, Dennison Wheelock and Martin Archiquette, was appointed to report at the next meeting.

Messrs. Elliott Uhler and E. Wayne Evans, of Philadelphia, visited the school this week.

The two large trees in front of Mr. Standing's house have been cut down and hauled away.

Did the Easter rabbits bring you any colored eggs? Even the printers were not left out if they did come rather late.

Miss Burgess expects to start on her homeward journey next Wednesday and will stop at Haskell for a day or two.

Joe Harris, Martin Archiquette, Benajah Miles and Stailey Norcross went fishing Saturday afternoon and caught 31 suckers, etc.

The Man-on-the-band-stand's chief clerk was evidently shaken up by the earthquake, which occurred in California on Tuesday. The old man hopes she was not frightened.

Richard looks quite like a little soldier marching around the grounds with his gun. We don't think the sparrows will suffer very much, at least not until he learns to take bet-

The death of Thomas Suckley takes from the ranks of the Y. M. C. A. one who was ever ready to welcome strangers, and to use the musical talent God had given him, in any way he could.

We go to press Wednesday evening, a day earlier than usual, as Thursday will be a holiday. Ou that day we celebrate Arbor Day with literary exercises and planting of trees. A full account will be given in next week's Helper.

Miss Woolston and Annie Thomas left on Thursday evening for the Indian School at Keam's Canon, Arizona. Miss Woolston was one of our most faithful workers, but throat trouble caused her to seek a change of climate. We congratulate our sister school upon its acquisition. Annie was one of our brightest girls. Our best wishes go with them in their new field of labor.

Ail who ever knew Boise Bassford will learn with sorrow of her death, which occurred last Saturday, the result of an attack of measles last year. During her school life here she had endeared herseif to all by her lovely Christian character and beautiful disposition. She was ever thoughtful of others, and to the last, through all her weakness, her faith and trust in God were perfect. A true King's Daughter, her death was indeed a going home to the Father's House.
