My dear friend -

Mr Standing
opened your note in my
absence and at once
ordered the Coat & Shoes
made. They will go over
Monday, as I telegraphed
you. How kind of you to
bring in the blind Orage.
It will be a big lift in bringing
Orage mines into better temper
toward us. Will let you know
cost of material for Coat &
Shoes. We will do the work.

Faithfully yours
Dr Agnew R. H. Ball
