My dear Friends-

I have arranged
to be at Staunton with Mrs
Post on both Wednesday and
Thursday of this week and
hope to meet you.

I should have \$4,000 from
Congress to buy the farm
adjoining the School and
build a new Chapel with
two additional Scholerooms
and also a stable, and
overhaul the large boys
Mrs. Had hoped your
promised visit to Carlisle

this Spring would enable me
to make these plain to
you and secure your
aid. If I see you at
Stamilton, a few minutes
will suffice.

My workman thinks the
Harness you bought quite
plain and says it is
as carefully made as we
are able and I therefore
send it to Melissa
via Spunkhill as you
order.

Our Anniversary was a
most gratifying one. With
love from Mrs. Peab and
Nana to Mrs. Agnew & family

Faithfully yours
R. H. Peab
