March 29th 1881

Michael Burns, from
the Apache Tribe, was
taken prisoner by the fifth
Cavalry on the 22nd of
December 1872 in Arizona
Territory. Afterward the
regiment was transferred to
Kansas. In 1875, was called
out to join General Crook's
expedition against the
Sioux nation in 1876. Travelled
with the regiment in 1876.
In 1878, was out with a company
against hostile ^{Nez Perce} ~~Nez Perce's~~ and
had some skirmish for a while
but was very little harm done.
In 1880 I was still with the
regiment, and in May 1880 the
General heard there was
a chance for me to have ^{education}
^{Nez Perce}

And also make something
out of myself. and so he
apply to Secretary of the
Interior. for to give me
permission to reach
Carlisle school.

And on October 1880
the General received
telegram and informed
me that I must be ready
to be on road to Carlisle
I was never so happy
in my whole life
as I was then.

But I have some feelings
in me of my leaving the
5th Cavalry. And they
have brought me from
the wilderness.

But I am happy
to say I enjoy my new
life very contented.
