

Sept. 30th, 87

My dear Doctor=

I want you
to note that while the
learned friends of the
aborigines are making
paths for us to walk
in, I am at home
attending to business.

I sent you a baby
colt halter by mail.
And trust you got it.
(To Palisades).

Your first letter
said a colt and I

had a notion it might
be a two year old, tho'
why I dont know, so
sent you a halter
much too large for
the two months colt.

Mr. Bingham's harness
is well along.

Hope you will not
fail to come and
see us before long.

Faithfully Yours
