

Carlisle May 5. 83

My dear Friend.

We had a good night in the sleeper, and were not disturbed in Phila, until 6.30. The party reached home at twelve M. but I stopped over in Phila until evening and about concluded arrangements for several of our boys to go as Cabin boys and Asst. Steward on our American Steam Ship Line to Europe, during vacation. \$50.⁰⁰ more came to me in Phila, and my wants are now reduced to \$950.⁰⁰. The Brooklyn & New York trip will remain a Red Letter day in our Carlisle

History.

I hope dear Doctor you will not allow anything to prevent your being here on the 23. You should come over the afternoon of the 22nd and be at the Com meeting on the forenoon of the 23. You can leave York as late as 3 P.M. and reach us before 10.

I shall print the Trust soon and will send you a copy.

All goes well. I'm hardly over my tired yet.

Mrs Pratt begs to join me in cordial greetings to Mrs. Agnew

Very truly yours

Dr C. R. Agnew
