INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them is living, and if neither of them is living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservations, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservations. (28 Stats., p. 906.)

Provided, That hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

The rules provide that-

A pupil who has been regularly enrolled in a nonreservations school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case.

This form is to be used only in transfers from reservations, or Indian schools, to nonreservation schools.

Important—Only those students who desire to come to Carlisle because they have a definite purpose in view will be admitted. Applications for enrollment must be submitted in all cases for consideration before transportation can be made available. Time will then be taken to find out the records students have made in the schools previously attended, and to secure recommendations as to their moral character and their worthiness for further attendance at a Government institution.

Mrs. Cornelia House West Depere, Wisconsin. RYD My dear Mrs. House:-

In order that your little daughter

Margaret, may be allowed to remain at the school
hospital with her aunt Lavinia and have her share
of the supplies furnished by the school, I thought
it best to have her enrolled and have secured
authority from the Indian Office to do this. You
understand that there will be no change in the life
the little girl has lived heretofore. She will
live in the hespital and attend school in town,
as she has always done.

application for Margaret's enrolment so that I may have this to complete the files and have every thing on record.

Very truly yours

Superintendent.

DEPARTMENT OF THE INTERIOR

OFFICE OF INDIAN AFFAIRS
WASHINGTON

Mr. John Francis, Jr.,

AUG 24 1917

Supt. Carlisle School.

My dear Mr. Francis:

Replying to your letter of July 19, regarding the nurse and her niece, you are advised that while the Office is willing to allow the nurse her subsistence in addition to her present salary, it is not thought advisable to allow subsistence for the child. You may however, enroll the little girl in your school, as you suggest, which it would appear would obviate the difficulty in this connection.

Very truly yours,

8-FLD-1

Mang. Honse

Assistant Commissioner

August 27, 1917.

Mrs. Ewing:-

Will you please enrol Margaret House, Miss Cornelius' niece. She will of course, continue living with her aunt.

when her application for enrolment comes in. I will give you the necessary facts as to age, etc unless you want to get these from Miss Cornelius now.

Respectfully

September 15, 1917.

Dear Madam:
