THE SUPERINTENDENT

Dear Friend and Schoolmate:

Recently the President of our Association and myself attended a conference of Alumni Secretaries in New York City and were more than ever convinced of the importance of an Alumni publication of our own.

All the universities and colleges of this country have their own publications and it is in this way they reach their Alumni. All the news of their fellow schoolmates, their marriages, births of their children, deaths, etc. are recorded, as well as their vocations, etc., etc. Biographical sketches appear of their Alumni and altogether the magazine is of direct personal interest to each Alumnus.

Now we want to start our own publication and can do it if each one of you will assume your share of the duty by paying your annual dues of \$1.00 each for 1915, which amount will entitle you also to one year's subscription to the Alumni Publication. We want to get 500 subscribers to start with and cannot start the publication without this number. Let us all be imbued with the spirit that we WANT CARLISLE TO LEAD and let us make this thing a success. Perhaps your dollar will make the five hundred. Please consider this matter of personal and immediate interest and send in your \$1.00. Under our new constitution the annual dues of \$1.00 are payable January first and it is our earnest desire to get the necessary 500 dues paid in at once, in order that the Alumni publication may be assured and start with the new year. If you can afford it, send in dues for some of your classmates, or others whom you would like to extend this little courtesy and remembrance, and the Alumni publication will be sent with your compliments.

The Association, through the efforts of its friends and officers has secured a beautiful building known as "Alumni Hall" in which every member may feel a personal pride. It is exclusively the office and home of the Alumni Association and will be the home of the members on their visits to the old School. One of our immediate needs is a set of dishes bearing the Association monogram for the Banquet Hall. The \$1.00 you send will help to get these dishes.

Sincerely yours,

Emily P. Robitaille
Secretary.
