Cicero Newell
 U. S. Agent,
 Rosebud Agency,
 Dakota Territory.

Sir:

I am in receipt of your letter dated 14th instant, enclosing an application of Spotted Tail, and other chiefs of his tribe, for permission to visit the school at Carlisle Pa. and to take two or three of their children with them to be educated, and in reply have to advise you, that it is not deemed best for any of the members of the tribe to

make the proposed visit this winter;
 in the Spring however arrangements
 will be made for some of the repre-
 sentatives of both tribes, (Spotted Tail
 & Red Cloud) to visit the school.

Very respectfully,

C. A. Boyd
 Commissioner.
