Lieut. R. H. Pratt, U.S.A.

Barlick, Arizona, the agency

Sir: I have in receipt of an application

from Ed. Bloodon of Saginaw, Mich.
 for appointment as steward in the Bar-
 lick school and I have informed him
 that application should be made to you.
 For his fitness for the position he refers to
 you, among others.

A man and his wife are needed to open
 take charge of a boarding school at the
 Colorado River Agency, Ariz. Would he be
 a suitable man for that place?

Yours respectfully
