Carlisle, Pa., Nov 4th 1879

Hon. C. A. Hart

Commissioner of Indian Affairs
Washington D.C.

Sir

I have the honor to request that four thousand dollars (\$4,000) be placed to my credit in New York; for the purpose of cleaning up the past expenses incident to collecting the Indian youth, and for rations and other necessary supplies - and for salaries; prior to November 1st ~~which~~ which the funds heretofore supplied fail to meet. And also to cover purchases of rations and salaries of employes during the months of November and December.

The labor of transferring War Department property and the many complications, incident to the establishing of this School, compels me to beg the indulgence of the Department in the matter of making detailed estimates

until the end of ^{the} present year; when I hope
to be fully established and able to comply with
all regulations of the Department

Very Respectfully

Your Obedient Servant
