Hon. Commissioner
of Indian Affairs
Washington D. C.

Sir

In reply to your letter
of the 11th Inst. (Marked A) in relation to
Apache Children going East to School, I
have the honor to state, that I have from
time to time for a year past been talking
to them on the subject, but thus far have
failed to get their consent to let any go
none of these people have ever been away
from here, they know nothing about
the country outside of their Mountains

Very Respectfully

Your Obedient Servant
