Sir,

In connexion with the recent appeal of Spotted Tail and others transmitted to you by my endorsement of the 8th inst. it seems well to send you the enclosed letter from the father of one of our Rosebud Agency girls.

Respectfully yours

Grace;

I got your letter yesterday my daughter I was glad on account of what you said. I am pleased to have you read often and learn often in the Church. I am pleased to think that you are doing well, but all the men here are trying to get their children back home again and have told the President so. I do not think they will succeed in that but in case they do perhaps you will come home this year. But still I shall be glad if they do not succeed and you come home

after you have done
something. When you get
this letter, I wish you
would tell me all the things
I have given you.

Mr. Hysley perhaps Grace has
written to me, as you say, every
month but this has been such a
bad winter that I have not had
any letters since last fall until
recently when I got a whole
batch at once and some were
5 & 6 months old. I would be
very much pleased if you would
have your photo taken with
Grace and send one to me.
I was very much gratified to get
your letter with the one from
Grace and I shake hands
with you for the heart. Please
give this \$1.00 to Nellie.

Cook.
