To the Honorable

The Com<sup>r</sup> of Ind<sup>n</sup>. Affs.,  
Washington D.C.

Sir.

In several cases where we have children out for vacation, I think we could continue them longer and even through the winter, having them attend the Country Schools near their Patrons. If this can be done and the parties having them in charge are properly careful in their management, I would recommend it in some cases, for the boys, as conducive to the best interests of the work.

Would the Department look favorably on such a move?

Very respectfully
