To the Honorable

The Com^r of Ind^{ian} Affs.
Washington D.C.

Sir:

As it is Agent Stephens opinion
Moses Norway had better go home now
to help his father, who is unable to perform
the labor of his farm, and as Chas. Conways
the incorrigible Hampton Student you sent
here, ^{who is} from the same Agency should go home
in October, I think it best to send both,
by Agent Stephens today and would
request your confirmation of my action
and authority to pay the necessary travel
expenses, to Keshena Wis.

Very respectfully
R.H. Pratt *dt. Supt.*
