May 16<sup>th</sup> 1882,

Respectfully referred to the Hon  
Com<sup>r</sup>. of Ind<sup>n</sup> Affairs with re-  
quest for instructions to govern in  
such cases, There would be some  
influence in the right direction on  
the minds of Indian fathers if the  
white fathers of half breed children  
paid toward the education of their  
children. I would suggest that the  
payment of transportation expenses and  
of \$100. per year toward the expense of  
each child, requiring ample guaran-  
tees would be a fair rule to establish
