TRAINING SCHOOL FOR INDIAN YOUTH,

CARLISLE BARRACKS,

Carlisle, Pa., November 18th 1882

To the Honorable

The Commissioner of Indian Affairs
Washington D. C.

Sir,

The large number of pupils, and the large number of Agencies represented at this School, together with the large number of pupils we have out in families, now numbering 56, entails on my office, so much correspondence, that I am compelled to ask that I be allowed an additional Assistant Clerk, at a salary of \$540. per annum. I find it necessary to look carefully after the children we have out, by correspondence direct with them, and with the parties who have them in charge. I make it a rule to write one letter a week to each of them, and require them to reply as often. I send forward my Report of Changes of Employes, and place upon it, the name of the additional clerk, for which I ask your approval

Very respectfully
