Indian Dept takes transportation of  
Sioux Children out of my  
hands it gave transportation of  
Dr Lippincotts Indian Territory party  
to B & O RR they  
decided about the through Cars  
and kept party one day longer  
on road than would have  
taken by Penn route. I  
am prepared to show you  
when you come up that  
I could have saved over  
four hundred dollars to my  
appropriation on that job alone.  
Penn Co has twice given  
special train from Washington to  
Carlisle free to bring members  
of Congress, Department & other  
officers, one train on special  
time has repeatedly given low

rates & free passes to  
delegation of Children Visiting Philadelphia  
to work up interest &  
get funds. am just informed  
Ind Dept has again instructed  
for B & O road for  
Sioux party. Is it not  
best to stand by our friends  
divide the business & give  
the Sioux party to Penn  
Co who will not attempt  
to crowd sixty odd Children  
into one car. As the  
B & O did, and  
who can and will deliver  
the party here without change  
on at least eight hours, better  
time, saving meals and money.  
I ask you to order Indian  
office to send Sioux party
