Capt R. H. Pratt,

Dear Sir:

Enclosed find a  
Special Estimate of Medical supplies  
needed -

Many of the articles on the estimate  
we are nearly or entirely out of and  
are needing badly. viz Cod liver oil  
Quinine, ammonia &c.

If just as convenient would prefer  
many of the articles in bulk.

As our next years supplies will not  
reach us until after midsummer  
the articles asked for are absolutely  
necessary for the benefit of the School  
at this time.

I am Very Respectfully

Yours  
O. G. Given
