To the Honorable

The Commissioner of Indian Affairs  
Washington

D. C.

Sir:

It will be necessary to visit either in person or by proxy, the children whom I have placed out during the summer to look after their management, and where the conditions are favorable to enter into arrangements for them to remain during the winter and attend public schools. We have a few cases where the children are not satisfactory to those with whom they were placed and we must pay the transportation expenses. I request your authority to expend such sum as may be necessary not exceed-

ing One hundred dollars, during the season,  
to cover these expenses.

Very respectfully

Your obedient servant
